EDITORIAL

The Blueprint for Tomorrow—Update, Upgrade, and Upskill

Dear Students, Parents, and the Vidya Sanskaar Community,

It is a moment of profound pride as we unveil this milestone edition of Vichara (Volume II, Issue-1). Marking our first anniversary and stepping confidently into our second year stands as a beautiful testament to our collective growth, shared

stories, and the enduring values that define Vidya Sanskaar Educational Institutions. In the landscape of undergraduate (UG) education—whether you are pursuing Commerce (BCom), Business Administration (BBA), Computer Applications (BCA), or the Sciences (BSc)—a degree alone is merely a baseline. To thrive in a rapidly shifting global economy, our entire ecosystem must align around three non-negotiable imperatives: **Update, Upgrade, and Upskill**.

I urge every UG student to transition from being a consumer of knowledge to a creator of value by adopting a systematic blueprint for evolution:

- Update your knowledge base to outpace legacy systems.
- Upgrade your personality to communicate your ideas with absolute clarity.
- Upskill continuously through technical domain certifications to build an agile profile that stands out.

This journey is a collaborative matrix, and we encourage our parents to partner with us in fostering professional autonomy, giving our young adults the space to take ownership, navigate complex challenges, and step past their comfort zones.

This inspirational culture is driven on campus by our dedicated teaching faculty, who systematically design their pedagogy using advanced instructional frameworks to manage cognitive load while turning classrooms into interactive hubs of critical analysis.

Concurrently, our non-teaching and administrative staff form our framework of excellence, maintaining meticulous administrative workflows and high standards of institutional hospitality that create a seamless, distraction-free environment for everyone.

As we continue to develop our state-of-the-art campus infrastructure to match your rising aspirations, let Vichara remain the voice of our collective ambition. Take charge of your journey, update your mind, upgrade your standards, upskill your hands, and let us make this second year a definitive chapter of growth, precision, and excellence.

Best Wishes,

Dr. Satish M Bejjihally

Ph.D, M.Phil, M.Sc, B.Ed, MBA (Edu), PGDEAS
CEO, Vidya Sanskaar Educational Institutions

It gives me immense pleasure to present the latest edition of VICHARA, the monthly newsletter of Vidya Sanskaar Institute of Science, Commerce and Management. This edition captures the vibrant academic, co-curricular, and career-oriented activities conducted during the month of May 2026, reflecting our institution's unwavering commitment to holistic student development. The month was marked by several significant milestones.

Our students actively participated in placement and incubation initiatives, including the QSpiders Incubation Drive and the Vidya Sanskaar Job Utsav, creating valuable pathways towards employability and professional growth. These initiatives reaffirm our commitment to bridging the gap between academic learning and industry expectations.

May also witnessed memorable moments of celebration and reflection through Smriti Parva and Samavarthan Sanskaar 2026. These occasions provided an opportunity to honour the achievements of our graduating students and celebrate their transition into the next phase of life. The presence of parents, alumni, faculty, and management made these events truly meaningful and inspiring. The observance of International Labour Day, World Red Cross Day, National Technology Day, and World No Tobacco Day further strengthened students' awareness of social responsibility, technological advancement, humanitarian values, and healthy living. Such programmes continue to nurture responsible citizens equipped with knowledge, compassion, and ethical values.

As we move forward into a new academic year, I extend my sincere appreciation to the Management, faculty members, staff, students, parents, and all stakeholders for their continued support and dedication. Let us continue to work together in pursuit of academic excellence, innovation, and character building. I hope this edition of VICHARA serves as a meaningful reflection of our collective efforts and achievements.

International Labour Day

May Day, celebrated on 1 May every year, honours the contributions, dedication, and achievements of workers across all sectors. The 2026 theme, "Ensuring a Healthy Psychosocial Working Environment," emphasizes the importance of promoting mental well-being, reducing workplace stress, and creating supportive and inclusive work environments. The day serves as a reminder of the ongoing need to safeguard workers' rights, dignity, health, and overall well-being.

QSpiders Incubation Drive

The Placement and Career Guidance Cell of Vidya Sanskaar Institute of Science, Commerce and Management successfully organized the QSpiders Incubation Drive on 4th May 2026. A total of 126 students participated in the drive, including 50 B.Com, 75 BCA, and 1 B.Sc student.

The selection process comprised three rounds: Pre-Incubation Drive, Aptitude Test, and Group Discussion. Based on their performance, 22 students were successfully selected, including 13 from B.Com and 9 from BCA.

The selected candidates have been instructed to report to the QSpiders office on 22nd June 2026 for further onboarding and training.

QSPIDERS INCUBATION DRIVE SELECTED CANDIDATES

Vidya Sanskaar Job Utsav

Placement drive 2026: building opportunities through collaborative outreach. With the support and guidance of Vidya Sanskaar Educational and Charitable Trust (VSECT), and in association with ICT Academy and Magic Bus Foundation, Vidya Sanskaar Institute of Science, Commerce and Management (VSISCM) undertook extensive preparations for Placement Drive 2026. Through this collaboration, HR representatives from various reputed companies were invited to participate in the recruitment drive, creating valuable employment opportunities for aspiring students.

Prior to the event, faculty members and student volunteers actively visited various degree colleges to invite and encourage job aspirants to participate in the placement drive. The outreach campaign involved interactions with Principals, Placement Officers, faculty members, and final-year students. Invitation letters and promotional materials were distributed to create awareness about the opportunities available through the drive.

These efforts strengthened inter-collegiate collaboration and provided students with information regarding participating companies and career prospects. The dedication and teamwork displayed by faculty coordinators and student volunteers played a crucial role in ensuring wide participation. The overwhelming response from various institutions reflected the trust and credibility earned by VSISCM in the field of career development and laid a strong foundation for the grand success of Placement Drive 2026.

World Red Cross Day

On the occasion of World Red Cross Day, observed on 8 May, the NSS Committee organized an awareness programme in association with the National Service Scheme (NSS) to promote the values of humanity, compassion, and service to society. As part of the observance, a Drawing Competition was conducted for students to create awareness about the humanitarian activities of the Red Cross and the importance of helping those in need.

Students enthusiastically participated in the competition and expressed their creativity through meaningful drawings depicting themes such as health care, disaster relief, blood donation, first aid, and humanitarian service.

YOUTH RED CROSS COMPETITION PARTICIPANTS

The activity provided an opportunity for students to understand the mission and principles of the Red Cross while developing social responsibility and empathy towards fellow human beings. The programme successfully conveyed the message of selfless service and inspired students to contribute positively to society. The NSS Committee appreciated the active participation of the students and encouraged them to uphold the values of kindness, volunteerism, and community service in their daily lives. The event concluded with the announcement of winners and appreciation for all participants who contributed to the success of the programme.

World No Tobacco Day

World No Tobacco Day is observed every year on 31 May to raise awareness about the harmful effects of tobacco use and to promote a tobacco-free lifestyle. The day highlights the serious health risks associated with smoking and smokeless tobacco, including cancer, heart disease, and respiratory illnesses. It also emphasizes the dangers of passive smoking and encourages individuals, especially young people, to make healthy choices and avoid tobacco consumption. Through awareness programmes and campaigns, the observance aims to create a healthier society and inspire people to lead lives free from tobacco addiction.

Smrithi Parva

A series of cultural performances added colour and vibrancy to the celebration, showcasing the talents of students. One of the most touching moments of the event was the presentation of videos capturing memorable experiences, classroom moments, events, and friendships shared during their college life.

The programme concluded with heartfelt wishes for the graduating students and a delicious lunch shared by all. Smriti parva 2026 will remain a treasured memory, marking a joyful farewell and the beginning of new journeys for the outgoing students. mriti parva, the farewell ceremony on 13th May 2026 for the outgoing UG students, was organized with great enthusiasm and affection by their juniors.

The event served as a beautiful occasion to recreate cherished memories and celebrate the successful completion of the seniors' undergraduate journey.

The programme was filled with emotions, gratitude, and joyful moments as students reflected on their years of learning, friendship, and growth at the institution. On this special occasion, the Management honored various student achievers for their outstanding accomplishments in academics, sports, cultural activities, and other fields. These recognitions served as an inspiration for younger students to strive for excellence.

Samavarthan Sanskaar 2026 – Celebrating Achievement and New Beginnings

Samavarthan Sanskaar on 15th May 2026, the Graduation Day ceremony of the undergraduate students, was celebrated with great dignity and enthusiasm at Vidya Sanskaar Institute of Science, Commerce and Management. The programme marked the formal send-off of the outgoing students and celebrated their successful completion of undergraduate education.

The event was graced by the esteemed Management dignitaries, who extended their heartfelt congratulations and best wishes to the graduating students. Through their inspiring addresses, they appreciated the students' hard work, perseverance, and achievements while encouraging them to pursue excellence in their future academic and professional endeavours.

The ceremony witnessed the presence of 131 graduating students along with 153 proud parents, making the occasion a memorable gathering of the institution's extended family. The presence of parents added warmth and significance to the celebration as they shared in the achievements of their children. During the programme, students reflected on their transformative journey at the institution and expressed gratitude to the Management, faculty members, and parents for their unwavering support and guidance. The event highlighted the values of knowledge, discipline, and service that the institution strives to instil in its students.

Samavarthan Sanskaar 2026 concluded on a note of pride, gratitude, and optimism. As the graduates stepped into a new phase of life, the institution wished them success, happiness, and fulfilment in all their future endeavours. The ceremony served as a meaningful milestone, celebrating both academic accomplishment and the promise of a bright future ahead.

Their dedication, professionalism, and commitment to academic and institutional excellence have enriched the learning experience of countless students. Through their consistent efforts in teaching, guidance, knowledge dissemination, and student support, they have contributed immensely to the institution's mission of providing quality education and nurturing responsible citizens.

A decade of service is a remarkable milestone that reflects loyalty, perseverance, and a deep sense of responsibility toward the institution and its stakeholders. The Management sincerely acknowledges the invaluable contributions of these distinguished faculty members whose efforts have strengthened the academic foundation and values of the institution.

On this special occasion, the Vidya Sanskaar Educational and Charitable Trust expresses its gratitude and congratulates all the honorees for their outstanding achievements. Their dedication and service continue to inspire students, colleagues, and the entire academic community. The Trust wishes them continued success, good health, and many more years of meaningful contribution to the field of education.

Faculty Recognition and Honoring

The Management of Vidya Sanskaar Educational and Charitable Trust proudly recognizes and honors Mr. Mohan Kumar B.M., Assistant Professor and Head, Department of Commerce and Management, and Ms. Shilpa T., Assistant Professor and Coordinator, Commerce and Languages, on the successful completion of ten years of dedicated service. Throughout their decade-long association with the institution, they have demonstrated exceptional leadership, academic excellence, and unwavering commitment to student development. Their contributions in strengthening academic programs, mentoring students, coordinating departmental activities, and fostering a culture of quality education have played a significant role in the growth and reputation of the institution.

The Trust also extends its heartfelt appreciation to Mr. Kumar N.R., Assistant Professor in Commerce, Ms. Divya H.S., Assistant Professor in Commerce, Mr. Gangaraju D., Assistant Professor in Kannada, and Mr. Thippeswamy, Librarian, for completing ten years of exemplary service.

National Technology Day

National Technology Day is observed every year on 11 May to celebrate India's achievements in science and technology and to honour the contributions of scientists, engineers, researchers, and innovators. The day commemorates the successful Pokhran-II tests conducted on 11 May 1998 (Pokhran-II was a series of five underground nuclear tests conducted by India on 11 May and 13 May 1998 at the Pokhran Test Range in the state of Rajasthan.) which marked an important milestone in India's technological journey. Beyond its historical significance, the observance highlights the role of technology in national development, self-reliance, innovation, and economic growth. It serves as an inspiration for students and young professionals to pursue scientific research, engineering, and entrepreneurship and to contribute to building a technologically advanced and progressive nation.

Best Wishes for Even Semester End Examinations – May 2026

As the Dr. Manmohan Singh Bengaluru City University Even Semester End Examinations commence from 29th May 2026, the Management of Vidya Sanskaar Educational and Charitable Trust, the Principal, faculty members, and staff of Vidya Sanskaar Institute of Science, Commerce and Management extend their heartfelt wishes and encouragement to all students appearing for the examinations.

Examinations are not merely a test of memory but an opportunity to showcase the knowledge, skills, discipline, and hard work cultivated throughout the semester. Every hour spent learning, every challenge overcome, and every effort made in the classroom has prepared you for this moment. Approach your examinations with confidence, determination, and a positive mindset. Believe in your abilities, remain focused on your goals, and give your best effort in every examination.

Remember that success is achieved through dedication, perseverance, and self-belief. Stay calm, manage your time wisely, and maintain a healthy balance between preparation and rest. Let your hard work speak through your performance. Regardless of the outcome, the knowledge and experience gained during your academic journey will continue to guide you toward future achievements and opportunities.

The Management and Principal wish all students excellent performance, outstanding results, and great success in the forthcoming examinations. May your sincere efforts be rewarded with success, and may you continue to strive for excellence in all your academic and professional endeavors.

"Success comes to those who prepare with dedication, perform with confidence, and persevere with determination. Believe in yourself, and success will follow."

Wishing all our students the very best for the Even Semester End Examinations 2026. May you excel, achieve your goals, and make yourselves, your parents, and your institution proud.

Alumni Corner

I completed my Bachelor of Computer Applications (BCA) at Vidya Sanskaar Institute of Science, Commerce and Management during the period 2018–2021. My experience at the institute was highly valuable and helped me build a strong foundation in computer applications, problem-solving, and professional skills. The faculty members were supportive, knowledgeable, and always encouraged students to enhance their technical and personal development. The learning environment and academic guidance played an important role in shaping my career.

Currently, I am working as a Senior Banking Manager (Tech Support) at CITY Union Bank. The knowledge, discipline, and confidence I gained during my BCA studies have been beneficial in my professional journey. The technical concepts and professional values learned during my academic years continue to help me in managing responsibilities effectively and adapting to new challenges. I am grateful to Vidya Sanskaar Institute for providing quality education and opportunities that contributed significantly to my personal and professional growth. I wish the institute continued success in nurturing future generations of students.
