IMPORTANT DAYS

National Doctors Day

(Theme: "Behind the Mask: Who Heals the Healers?"):-July 01
This day honors the invaluable contributions of physicians and healthcare professionals to society. The 2026 theme takes a reflective turn, shifting the spotlight from patients to the doctors themselves. It raises a crucial question about the mental, emotional, and physical well-being of medical practitioners who work tirelessly, often at the cost of their own health. The observance encourages conversations around burnout, stress management, and institutional support systems for those who dedicate their lives to healing others.

International Day of Cooperatives

(Theme: "Cooperation for a Peaceful World"):-JULY 4
Observed annually on the first Saturday of July, this day promotes the cooperative movement's role in building inclusive and sustainable communities. The 2026 theme underscores how cooperative enterprises foster mutual trust, shared responsibility, and democratic decision-making—principles that extend beyond economics to promote global peace. It recognizes cooperatives as pillars of social harmony, particularly in conflict-prone regions, by encouraging dialogue, equity, and collective problem-solving.

World Population Day

(Theme: "Realising the Hopes and Aspirations of Young People"):-July 11
Established by the United Nations, this day raises awareness about global population issues, including family planning, gender equality, and sustainable development. The 2026 theme places young people at the center of the demographic discourse, recognizing that nearly 1.8 billion individuals are between the ages of 10 and 24—the largest youth population in history. It calls for urgent investments in education, healthcare, employment, and civic participation to empower this generation. The observance also stresses the importance of listening to young voices in policy-making, ensuring that their dreams and ambitions are not overshadowed by population pressures or resource constraints.

World Youth Skill Day

(Theme: "Skills for a Shared Future"):
This UN-designated day highlights the need to equip young people with relevant skills for employment and entrepreneurship. The 2026 theme emphasizes collective progress, urging investments in green technologies, digital literacy, and sustainable practices to address global challenges. It calls for stronger collaboration between governments, educators, and industries to bridge the skill gap, while celebrating youth creativity and resilience as drivers of a shared, prosperous future.

GST Day

(Theme: "Simplified Tax System: Empowered India"):- July 01

Celebrated on the same date, GST Day commemorates the rollout of the Goods and Services Tax in India, which unified the nation's fragmented tax structure into a single, streamlined system. The 2026 theme emphasizes how simplification has empowered businesses, reduced cascading taxes, and boosted compliance. It also highlights the role of technology and digital infrastructure in making tax administration more transparent, thereby contributing to India's economic growth and self-reliance.

World Rural Development Day

(Theme: "Financing the First Mile of the Food System"):-July 06

This observance draws attention to the challenges faced by rural communities, especially smallholder farmers who form the backbone of global food production. The 2026 theme focuses on the critical "first mile"—the journey of agricultural produce from farms to initial processing or market points. It advocates for increased investment in rural infrastructure, storage facilities, and affordable credit to reduce post-harvest losses. The day calls upon governments and financial institutions to prioritize rural financing as a pathway to food security and sustainable development.

NABARD Foundation Day

(Theme: "Increasing Ground-Level Credit Flow by Rural Financial Institutions"):-July 12

This day marks the founding of the National Bank for Agriculture and Rural Development (NABARD) in 1982, a pioneering institution dedicated to promoting sustainable rural prosperity in India. The 2026 theme highlights the persistent challenge of credit accessibility in remote and agrarian regions. It emphasizes the need for strengthening cooperative banks, regional rural banks, and self-help groups to ensure that farmers, artisans, and rural entrepreneurs receive timely and affordable financial support. The day serves as a reminder that inclusive credit delivery is not just an economic tool but a means of reducing inequality and driving grassroots development.

"From healing hands to rural lands, from cooperative spirit to youthful merit—progress flourishes when we invest in those who build the nation, day by day."

Code Carnival

The Department of Computer Applications organized CODE CARNIVAL on 24th July 2026, from 1:30 PM to 4:30 PM, featuring a diverse lineup of competitions that challenged students' technical, creative, and strategic abilities. The event included the BUG BOUNTY HUNT, where teams of three tackled coding challenges across three rounds, alongside the TECH TREASURER HUNT, which invited participants to submit original reels or short movies evaluated for creativity and storytelling. Individual participants tested their mettle in the SHOW YOUR SKILLS contest, completing tasks within a strict one-hour limit, while gaming enthusiasts battled it out in the FREE FIRE tournament featuring teams of four players competing across qualifiers, semi-finals, and a grand final with strict anti-hacking measures to ensure fair play. The AI IMAGE CREATOR segment added a futuristic touch, exploring artificial intelligence in visual design, and the entire carnival was efficiently managed to ensure smooth conduct across all activities, ultimately providing students with a vibrant platform to showcase their talents, collaborate with peers, and celebrate the spirit of innovation and healthy competition.

MPL Auction and Drug Awareness

BBA Department Highlights: MPL Auction & Drug Awareness Initiative

As part of their departmental activities, our BBA students successfully organized two impactful events that showcased both practical business skills and social responsibility.

The department conducted the MPL (Management Premier League) Player Auction, giving students hands-on experience in sports management, bidding strategy, budget allocation, and team valuation. In addition, the students spearheaded a Drug Awareness Program to educate the campus community on the dangers of substance abuse, advocate for healthier lifestyle choices, and foster a safe, supportive environment. Through these initiatives, our BBA cohort demonstrated exceptional leadership, strategic planning, and community awareness.

"From Campus to Public Service"

On July 30, 2026, we hosted a career orientation session titled "From Campus to Public Service" for all our B.Com students at 11:00 AM in Room G-04, M-Block. Organized by our Placement and Career Guidance Cell alongside IQAC and IIC, the event featured distinguished academic administrator and visionary leader Shri M. K. Ramaswamy, Director (Academic) of Vidya Sanskaar Educational and Charitable Trust, as the key resource person. Drawing from his extensive expertise in academic management and student mentoring, Shri Ramaswamy provided valuable insights into civil service preparation, competitive examinations, and ethical governance, inspiring our commerce students to pursue impactful careers in public leadership.

ಕವನ
ದಿನವೆಲ್ಲ ನಿನ್ನ

ದಿನವೆಲ್ಲ ನಿನ್ನ ನಾ ನೋಡುವಂತೆ
ಕಣ್ಣೆದುರೇ ಇರಬಾರದೇ
ಇರುಳಲ್ಲಿ ಕೂಡ ಮರೆಯಾಗದಂತೆ
ಕನಸೊಂದು ತರಬಾರದೇ
ವರವನೇನು ನಾ ಬೇಡಲಾರೆ ಆದೈವ
ಎದುರಾದರೂ
ದಿನವೆಲ್ಲ ನಿನ್ನ ನಾ ನೋಡುವಂತೆ
ಕಣ್ಣೆದುರೇ ಇರಬಾರದೇ||

ಈ ನಿನ್ನ ಕಣ್ಣು ಕುಡಿ ನೋಟದಲ್ಲಿ
ಮಿಂಚೊಂದು ನಾ ಕಾಣುವೆ
ಮುದ್ದಾದ ನಿನ್ನ ಆ ನಗುವಿನಲ್ಲಿ
ನನ್ನನ್ನೇ ನಾ ಮರೆಯುವೆ
ನಿನ್ನ ನಗುಪು ಹೀಗೇ ಇರಲಿ
ಆ ದೇವರ ಬೇಡುವೆ
ದಿನವೆಲ್ಲ ನಿನ್ನ ನಾ ನೋಡುವಂತೆ
ಕಣ್ಣೆದುರೇ ಇರಬಾರದೇ ||

ಕಡಲಾಳದ ಆ ಚಿಪ್ಪಿನೊಳಗೆ
ಮುತ್ತಂತೆ ನೀನಲ್ಲವೇ
ಮನದಾಳದ ಕಣ್ಣರೆಪ್ಪೆಯೊಳಗೆ
ಜೋಪಾನ ನಾ ಮಾಡುವೆ
ಅಡೆತಡೆ ಬಾರದಂತೆ
ನೆರಳಾಗಿ ನಾ ಕಾಯುವೆ|

ದಿನವೆಲ್ಲ ನಿನ್ನ ನಾ ನೋಡುವಂತೆ
ಕಣ್ಣೆದುರೇ ಇರಬಾರದೇ
ಇರುಳಲ್ಲಿ ಕೂಡ ಮರೆಯಾಗದಂತೆ
ಕನಸೊಂದು ತರಬಾರದೇ
ವರವನೇನುನಾ ಬೇಡಲಾರೆ ಆದೈವ
ಎದುರಾದರೂ
ದಿನವೆಲ್ಲ ನಿನ್ನ ನಾ ನೋಡುವಂತೆ
ಕಣ್ಣೆದುರೇ ಇರಬಾರದೇ||

CODE CARNIVAL

THINK. CODE. WIN!

24TH JULY 2026, FRIDAY | 01.30PM to 04.30PM

SHOW YOUR SKILLS. BE THE CHAMPION!

BUG BOUNTY HUNT

- The competition consists of 3 rounds, and each team must have 3 members.
- All teams must follow the event rules, complete each round within the given time, and maintain fair play.
- The team with the highest overall score will be declared the winner and will receive exciting prizes.

STUDENT CO-ORDINATOR
Nagana.K | 8217090114

AI IMAGE CREATOR

- This contest is open to individual participants only; team submissions are not permitted.
- Participants will have 1 hour to complete their submission from the start of the challenge.
- All participants must follow the event rules, complete within the given time, and maintain fair play.
- The participants with the highest overall score will be declared the winner and will receive exciting prizes.

STUDENT CO-ORDINATOR
Popal kumar | 7795799462

FREE FIRE

- Team: 4 players per team (Registration: 1500)
- Format: The gaming competition consists of 3 levels (Qualifier → Semi-Final → Grand Final)
- No Hacks: If any player uses hacks, the entire team will be disqualified.
- Decision: The organizers' decision is final.

STUDENT CO-ORDINATOR
Rama.G | 9541776767

TECH TREASURER HUNT

- Group: 4 members per team.
- Follow clues in sequence.
- No Internet or outside help.
- Handle clues and materials carefully.
- First team to finish correctly wins.

STUDENT CO-ORDINATOR
Sandy.S | 8277232616

REELS & SHORT MOVIE COMPETITION

- Participants may submit an original Reel (30-60 seconds) or Short Movie (3-10 minutes) based on the given theme in MP4 format with good video and audio quality.
- The video should be creative, meaningful, relevant to the theme, and should not contain any offensive or inappropriate content.
- Individual or team participation (maximum 3 members) is allowed, and only one entry will be evaluated based on creativity, originality, storytelling, presentation.
