IMPORTANT DAYS

Independence Day

Theme: "Yuva Shakti for Viksit Bharat@2047."
Independence Day in India marks the end of British colonial rule in 1947. The day is a grand celebration of the nation's freedom and sovereignty, featuring flag-hoisting ceremonies, patriotic parades, and cultural events across the country. The 2026 celebrations centered on "Yuva Shakti for Viksit Bharat@2047," placing young Indians at the heart of the country's long-term development vision. The year also marks 150 years of Vande Mataram.

Hiroshima Day

Theme: Remembrance, Responsibility and Resilience.
Hiroshima Day is a solemn observance commemorating the day in 1945 when an atomic bomb was dropped on the city of Hiroshima, Japan. The 2026 theme highlights the need to remember the victims, learn from history, and work towards a world free of nuclear weapons. Commemorating the 81st anniversary, the day serves as a powerful reminder of the devastating consequences of war and the urgent need for global nuclear disarmament.

National Handloom Day

Theme: Handloom Hackathon 2026: "Weaving Innovation."

Celebrated annually on August 7 in India, National Handloom Day honors the country's rich heritage of handloom weaving and the artisans who keep this tradition alive. The 2026 focus is on innovation and sustainability, with the "Handloom Hackathon 2026: Weaving Innovation" initiative aiming to bring technology, design, entrepreneurship, and sustainable solutions into the handloom sector. The day commemorates the Swadeshi Movement launched on this day in 1905.

Quit India Movement Day

.Quit India Movement Day commemorates the launch of the historic Quit India Movement in 1942. Led by Mahatma Gandhi, this mass civil disobedience movement demanded an end to British rule in India. The day is a tribute to the courage and determination of the Indian people who fought for their freedom, and it serves as a reminder of the pivotal moment in India's struggle for independence. In 2026, the 84th anniversary was marked with tributes to freedom fighters and calls to promote indigenous practices and build an Atmanirbhar Bharat.

International Youth Day & World Elephant Day

International Youth Day Theme: "Different Contexts, Common Aspirations."

World Elephant Day Theme: "Human-Elephant Conflict - Varying Scenarios Across India."

August 12 is a day of dual significance. International Youth Day focuses on the rights and potential of young people, with the 2026 theme acknowledging that while young people face different national realities, they share similar hopes for dignity, opportunity, and a sustainable future, with special attention on youth in Least Developed Countries. World Elephant Day is dedicated to the preservation and protection of elephants, raising awareness about threats such as poaching and habitat loss.

Nagasaki Day & International Day of the World's Indigenous Peoples

Indigenous Peoples Theme: "Honouring Indigenous Midwives: Safeguarding Life and Well-being."

August 9 marks two significant observances. Nagasaki Day commemorates the atomic bombing of Nagasaki, Japan, in 1945, three days after the bombing of Hiroshima. The 81st anniversary was marked with the mayor denouncing nuclear weapons as "absolute evil" and urging Japan to uphold its non-nuclear principles. Coinciding with this is the International Day of the World's Indigenous Peoples, which in 2026 recognizes the essential role Indigenous midwives play in preserving knowledge systems, supporting community well-being, and ensuring cultural continuity across generations.

Nava Spandana 2026

Kickstarting the academic calendar with a grand welcome, Nava Spandana 2026 takes center stage on August 1st as the official Freshers' Day celebration. From 9:00 AM to 2:00 PM, the SPM Auditorium in M-Block will transform into a vibrant hub of music, dance, and youthful energy as the campus rolls out the red carpet for its newest members. This offline celebration is all about breaking the ice, building bonds, and giving the fresh batch a taste of college life at its finest—all meticulously coordinated by Suchitra B. It's the perfect curtain-raiser for the semester ahead, promising a day packed with laughter, performances, and unforgettable memories.

Workshop on AI for Fundraising "Tech meets Finance"

Tech meets finance on Tuesday, August 18th, with a hands-on "AI for Fundraising and Investor Pitch Preparations" workshop. Held at 9:40 AM in G04, this internal, offline session led by Dr. Rajesha S will equip students with cutting-edge tools to impress investors. Coordinated by Medha Kumari, this workshop was a must-attend for budding entrepreneurs ready to harness the power of artificial intelligence.

Course on Office Automation with AI

Starting August 19th, the classroom gets a high-tech upgrade with a Value-Added Course on "Office Automation with AI" tailored for I Year BBA and BCA students. This offline training program is designed to future-proof essential skills, blending traditional office tools with modern AI efficiency. Coordinated by Vidya Shree C A and Deepa B Patil, this course promises to give students a competitive edge in digital productivity.

Creativity Takes Centre Stage at Gandhi Bhavan

On August 19, NSS volunteers Brunda B (II B.Com.), Geetha Shree (II BCA), and Mantha B (I B.Com.) from Vidya Sanskaar Institute of Science, Commerce and Management visited Gandhi Bhavan to participate in an external, offline Drawing Competition. Their artistic talent and creativity earned them the second prize, along with a cash award. Organized by the National Service Unit, Youth Empowerment, and the Department of Sports, and coordinated by Ms. Vinoda, the event celebrated artistic excellence, creativity, and a strong competitive spirit.

"From learning and innovation to patriotism, creativity, and enterprise, every experience shapes students into confident individuals ready to make a difference in the world."

"From Campus to Corporate"

Bridging the gap between textbooks and the boardroom, a dynamic seminar titled "From Campus to Corporate - Navigating Technology and Corporate Culture" was slated for August 6th at 10:40 AM in G04. Students will get a golden opportunity to hear from Mr. Charan Simha, Manager at **PwC Acceleration** Center, as he shares real-world insights. This external, offline session, coordinated by Vidya Shree C A, is a compass for anyone looking to thrive in the fast-paced corporate world.

Entrepreneurship Ecosystem

Innovation with a seminar on the "Entrepreneurship Ecosystem and Govt Support for Start-ups." Held in the SPM Auditorium, M-Block, this session features MR. SHIVAKUMAR, Deputy Director of MSME Bangalore, as the external speaker. Designed to ignite the spark of enterprise, this offline event is organized by the Curriculum Enrichment Cell and coordinated by Kiran Kumar H M—perfect for aspiring founders looking for a roadmap to success.

Independence Day

August 15, Vidya Sanskaar Education and Charitable Trust came together to celebrate India's Independence Day with a poignant and patriotic gathering. The celebration honoured the nation's freedom, spirit, and rich legacy. Overseen by the National Festival Committee, the event brought the entire college community together in a moment of unity, reflection, and deep national pride. It was a memorable tribute to India's journey, the sacrifices of its freedom fighters, and the values that continue to inspire the nation.

GST in India Expert Talk

Taxation takes the spotlight on Tuesday, August 25th, with an expert talk on "GST in India: A Journey Towards One Nation One Tax." Starting at 10:40 AM in G04, this external, offline session aims to demystify the complexities of India's indirect tax regime. Organized by the Commerce Club and coordinated by Dr. Mohan Kumar B M, it's an essential deep dive for commerce enthusiasts.

NEXUS/KALARAVA

the Commerce Department unleashes a whirlwind of excitement with NEXUS/KALARAVA in M Block. This offline extravaganza packs a punch with events like "Beyond the Name," "Big BITE Battle," "Visual FX," and the daring "Enter if you Dare." Coordinated by Mohan Kumar B M, this departmental activity promises a high-energy mix of strategy, creativity, and fun.
