## Internship Orientation Program 2026

On January 9, 2026, VSISCM hosted an Internship Orientation Program for final-year B.Com, BCA, and B.Sc students. Led by the HODs and Faculty Mentors, the session provided a comprehensive roadmap for the upcoming internship semester. Key highlights included:

**Strategic Briefings:** HODs outlined industry expectations and professional standards.

**Documentation:** Mentors provided guidelines for project reports and internship logs. **Mentorship:** Students met with their guides to align their career goals with industry placements. The program successfully prepared our graduating batch to transition from academic study to professional practice with confidence.

“Fresh ideas ignite careers and every connection sparks tomorrow's success!”

## Educational Visit to IDEA and IoT Labs

On January 10, 2026, the 3rd-year BCA students participated in an insightful industrial visit to the Amrutha Institute of Engineering and Management Studies. The visit focused on exploring the cutting-edge IDEA (Idea Development, Evaluation & Application) Lab and the Internet of Things (IoT) Lab. Practical Exposure: Students witnessed real-time applications of IoT, including smart sensor integration and automated systems. Innovation at IDEA Lab: The session at the IDEA Lab showcased advanced prototyping tools and the process of transforming creative concepts into functional models. Technical Interaction: Engineering experts at the institute engaged with students, discussing future trends in embedded systems and cloud connectivity. This visit successfully bridged the gap between theoretical computing concepts and physical hardware implementation, providing our BCA students with a broader perspective on the evolving tech landscape.

## NATIONAL YOUTH DAY

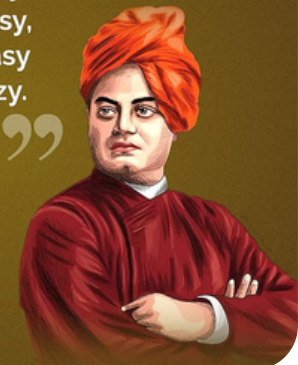

Our Institution celebrated National Youth Day on January 12, 2026, marking Swami Vivekananda's birth anniversary with the theme "Ignite the Self, Impact the World."

NCC: Led a disciplined march-past and Guard of Honor. NSS: Organized a community service pledge and exhibition. Students Performed a thematic skit on Vivekananda's teachings. Guest Speaker Smt. Sneha Damle delivered a powerful keynote, urging students to channel their inner strength into social action. The day concluded with the National Anthem, leaving the campus energized and inspired to lead.

“

Everything is easy  
when you are busy,  
but nothing is easy  
when you are lazy.

- Swami Vivekananda ”

## NATIONAL START-UP DAY

## National Start-up Day 2026

we celebrated National Start-up Day on January 16, 2026, with a special session curated for B.Com students to foster the spirit of entrepreneurship. Our guest Shreevidya Subramanyam, Co-founder and Director of Sunchinta Solutions Pvt Ltd. delivered a special session which bridged the gap between academic commerce and real-world business, focusing on "Building a Start-up from Scratch." Insights: Shreevidya shared her journey, discussing market trends, financial planning, and the resilience needed to lead a successful venture. Interaction: The B.Com students engaged in a lively Q&A session, gaining practical advice on turning business ideas into reality. The event left our budding entrepreneurs inspired and ready to innovate in the evolving business landscape.

## NSS SPECIAL CAMP: KITTANAHALLI

The National Service Scheme (NSS) unit of Vidya Sanskaar Institute Of Science, Commerce and Management successfully conducted a transformative 7-day Special Camp from January 17th to 23rd, 2026. The camp was designed to sensitize student volunteers to their civic duties, social responsibilities, and the importance of environmental stewardship. It strategically blended thought-provoking expert lectures with impactful hands-on community service, culminating in a profound understanding of the role of youth in nation-building.

“Not Me, But You”

### Day 1 – Saturday, 17th January 2026: Inauguration

The camp commenced with an official inauguration presided over by Shri MK Ramaswamy. In his inaugural address, he inspired the volunteers by emphasizing the core values of NSS—service, sacrifice, and community leadership—setting a purposeful tone for the week ahead.

### Day 2 – Sunday, 18th January 2026: Environmental Consciousness

The session was led by Shri Rajesha on 'Environmental Protection.' Following the lecture, volunteers translated theory into practice by conducting a 'Shramdaan' (public service) drive, cleaning nearby public areas, parks, and streets. This activity underscored the direct link between individual action and a cleaner, healthier ecosystem.

### Day 3 – Monday, 19th January 2026: Fostering Harmony

Dr. Nitesh delivered an insightful lecture on 'Samhidaya Sauhardhatha' (Compassionate Harmony). The session focused on nurturing empathy, unity in diversity, and building a cohesive society, which is essential for volunteers working in diverse community settings.

#### Day 4 – Tuesday, 20th January 2026: The Bedrock of Society

Esteemed speaker Shri R H Venkatesh Murthy spoke on the 'Importance of Family.' He elaborated on the family as the primary unit of social values, emotional support, and character building, which forms the foundation for responsible citizenship.

#### Day 5 – Wednesday, 21st January 2026: Duties of a Citizen

Officers from the Regional Transport Office (RTO) engaged volunteers on the topic of 'Citizen Responsibility.' The interactive session covered traffic rules, road safety, ethical conduct, and the legal and moral obligations of every citizen towards a orderly society.

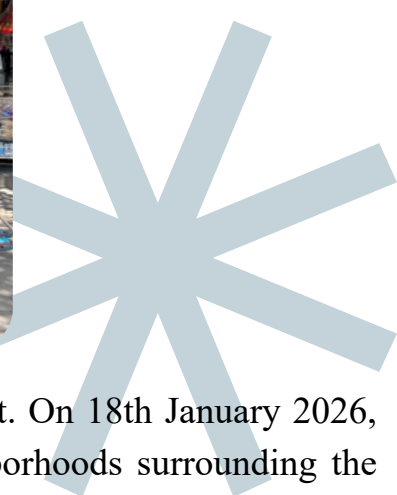

#### Day 6 – Thursday, 22nd January 2026: Insights into Governance

In a highly motivating session, Shri MK Ramaswamy spoke on 'Civil Services: Challenges and Opportunities.' He provided a realistic overview of public administration, inspiring many volunteers to consider careers in civil services as a means to enact large-scale positive change.

#### Day 7 – Friday, 23rd January 2026: Valediction & Reflection

The final day was dedicated to camp fulfilment activities. Volunteers shared their reflections, presented cultural performances, and received participation certificates. The program concluded with a valedictory function, summarizing the learnings and reinforcing the commitment to continuous service.

A core component of the camp was the hands-on community service project. On 18th January 2026, all NSS volunteers actively participated in a cleanliness drive in the neighborhoods surrounding the camp. This activity not only contributed to a cleaner public environment but also served as a practical lesson in civic duty, teamwork, and environmental responsibility. It fostered a tangible connection between the volunteers and the community they serve.

The NSS Special Camp 2026 was an immense success, achieving its objectives of sensitizing young minds and fostering a spirit of voluntary service. The perfect synergy of intellectual sessions from distinguished resource persons and actionable community work provided a holistic learning experience. The camp has undoubtedly motivated the volunteers to become more proactive, responsible, and compassionate citizens.

"Passion helps you in protecting the community, and public service will follow it."

## BCA Industrial Visit: ITC Infotech

### BCA Industrial Visit: ITC Infotech

On January 21, 2026, students from the BCA department went on an insightful industrial visit to ITC Infotech India Ltd. at their Maruthi Sevanagara campus in Bengaluru.

**The Highlights:**Corporate Exposure: Students explored the state-of-the-art campus to understand the professional environment of a global IT leader. Tech Sessions: Industry experts provided deep dives into the Software Development Life Cycle (SDLC), Cloud Computing, and Automation. Career Readiness: Senior professionals shared valuable advice on the specific technical and "soft" skills required to succeed in the modern tech industry. The visit was a great success, giving our students a clear look at how their classroom learning is applied in the real world.

## Republic Day 2026

On January 26, 2026, Our Institution celebrated the 77th Republic Day with patriotic fervor. The event brought together the entire institution, from young school children to college seniors, to honor the spirit of the Indian Constitution. The National Flag was hoisted in the presence of the Secretary Sri. H B Shyamsundar , Academic Director Sri. M K Ramaswamy, CEO Dr. Satish M Bejjehally , and EDL Sri. Harshith Gowda S , followed by the National Anthem. The NCC cadets led a ceremonial march-past, showcasing remarkable precision and discipline. NSS volunteers and students from both the school and college wings presented a series of patriotic songs, speeches, and cultural performances. The celebration was attended by all teaching and non-teaching staff, fostering a sense of unity across the institution. The day concluded with a message from the management, encouraging students to uphold the democratic values of justice, liberty, and equality.

## NCC VOLLEYBALL COMPETITION

The NCC volleyball team brought laurels to the institution by securing second place in the volleyball competition held at Kristu Jayanti University on 31st January 2026. The tournament witnessed enthusiastic participation from several colleges, making the competition highly challenging and competitive. Throughout the event, the team exhibited excellent coordination, discipline, and a strong spirit of sportsmanship. Their consistent performance in the league and knockout matches reflected their rigorous training and determination. The cadets played with great confidence and teamwork, earning appreciation from the organizers and spectators alike. This achievement stands as a proud moment for the institution and serves as a motivation for other students to actively participate in sports and co-curricular activities. The success of the team highlights the importance of dedication, perseverance, and collective effort in achieving excellence.

## INTERNSHIP ORIENTATION

An internship orientation session for final-year BCA students was conducted on 30-01-2026 from 11:30 AM to 12:30 PM, aimed at preparing students for industry exposure and career planning. The program featured expert talks from industry leaders who shared practical insights into emerging technologies, internship expectations, and professional growth opportunities. Sharath, Founder Director of Shara Technovate Solutions, delivered an engaging presentation on AWS (Amazon Web Services) technologies. He explained the growing relevance of cloud computing, real-world applications of AWS, and the wide range of career paths available in this domain. His session helped students understand industry trends and the skills required to stay competitive. Naveen, Founder of Scontinent Technologies Pvt Ltd, provided valuable insights into internship structures, workplace expectations, and the company's products and services. He emphasized how internships bridge academic learning with professional practice and outlined the career opportunities available for motivated students. Overall, the orientation served as an informative platform that strengthened students' awareness of industry demands, encouraged skill development, and motivated them to approach internships as a foundation for their professional careers.
