ITC INFOTECH PROFESSIONAL CERTIFICATION: 45 DAYS TRAINING

PROGRAM ON 'DATA ANALYTICS'

The ITC Infotech 45-day training program is a structured learning initiative aimed at preparing trainees for professional roles in the IT and business domains. The program is divided into two main phases—35 days of technical skills training and 10 days of soft skills development—to ensure a balance between technical expertise and personal effectiveness.

During the 35-day technical training, participants are introduced to key industry concepts, tools, and technologies relevant to ITC Infotech's business areas. The training covers programming fundamentals, database management, enterprise systems (like ERP or supply chain platforms) and domain-specific applications. Trainees also work on practical assignments, simulations, and mini-projects to apply their learning in real-world scenarios, strengthening both their analytical and problem-solving abilities.

The subsequent 10-day soft skills training focuses on developing essential professional competencies such as communication skills, teamwork, leadership qualities, presentation techniques, business etiquette, and time management. This phase helps participants build confidence and prepares them to collaborate effectively in a corporate setting.

Overall, the 45-day ITC Infotech training program provides a comprehensive blend of technical knowledge and behavioural skills, enabling trainees to transition smoothly into professional roles and contribute effectively to organizational goals. The program ended on 31/10/2025.

PROFESSIONAL CERTIFICATION: **ADVANCED EXCEL & TALLY PRIME WITH GST**

The Institute successfully completed a specialized training program that included the use of Advanced Excel and Tally Prime with GST for second-year B.Sc and B.Com students. Tally Prime with GST Training.

The training program covered advanced usage of Tally Prime, a leading accounting software widely used in business and financial operations. Special emphasis was placed on the integration of GST (Goods and Services Tax) within Tally Prime, enabling participants to efficiently manage GST compliance, invoicing, and tax filing through the software.

Skills Developed

- Mastery in handling accounting operations using Tally Prime.
- Ability to generate GST-compliant invoices and reports.
- Practical application of Tally Prime features for real-world business scenarios, such as inventory management, payroll, and financial statements.
- Understanding of GST configuration and statutory adjustments within Tally Prime.

Duration and Performance

- Total training duration for Tally Prime with GST (as part of a combined 30-hour program on Advanced Excel & Tally Prime with GST):
- 29-09-2025 to 14-10-2025
- Grade Achieved: A++ (indicative of excellent performance in all aspects of the training)

CYBER AWARENESS SESSION TO ENHANCE DIGITAL AWARENESS AMONG STUDENTS

The Institution Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC) of Vidya Sanskaar Institute of Science, Commerce and Management jointly organized an Expert Talk on Cyber Awareness on 29th October 2025. The session was conducted by Mr. Anish Mitra from KPMG, who served as the guest speaker for the program.

The expert talk aimed to enhance students' understanding of cyber safety, data privacy, and responsible online behaviour in today's digital world. Mr. Mitra shared valuable insights on cyber threats, phishing, password security, and ways to safeguard personal and institutional data. The interactive session enabled students to clarify their doubts and gain practical awareness of digital security measures.

The program received an excellent response from the students of the B.Com stream, who actively participated throughout the session. The event concluded with a vote of thanks, expressing gratitude to the resource person and the organizing committees for their efforts in conducting an informative and engaging session.

Student Symposium on the Centenary Year of Gandhi's Autobiography

In commemoration of the centenary year of Mahatma Gandhi's autobiography, a Student Symposium was organized at SJR College on 29th and 30th October 2025. The event aimed to foster intellectual engagement and reflection on the relevance of Gandhian philosophy in the modern era.

Students from our institution—Kavyashree H (III BCA), Hemalatha D (II BCA), Shubhashree G (III B.Com), Pragna L (I B.Com), and Sneha (II B.Com)—actively participated and presented their perspectives with clarity and conviction. Their presentations highlighted the timeless values of truth, non-violence, and moral integrity advocated by Mahatma Gandhi, making the symposium a truly inspiring and enlightening experience.

State Level Essay Writing Competition on "Samvidhana Odu Abhiyana" was organized at Government Arts College, Bengaluru, on 25th October 2025. The competition aimed to spread awareness about the Indian Constitution, its values, and its significance in guiding the nation.

NSS CAMP: SERVICE, DISCIPLINE & LEARNING

State level youth leadership camp on Gandhian Values at Doddaballapura

NISARGA V
II YEAR B.COM

SREE REMO A
III YEAR BCA

State Level NSS Youth Leadership Camp on “Gandhian Values” was held at Doddaballapura from 25th October to 31st October 2025. The camp aimed to instil truth, non-violence, discipline, and selfless service among NSS volunteers, following the ideals of Mahatma Gandhi. Various sessions, group discussions, and activities were conducted to develop leadership qualities and social responsibility. From our college, Nisarga V of 2nd B.Com and Shree Remo A of 3rd BCA actively participated in the camp, gaining valuable insights into Gandhian philosophy and strengthening their commitment to community service.

7 DAYS NSS RESIDENTIAL TRAINING PROGRAM UNDER THE 'YUVA AAPADA MITRA SCHEME' at Kmbalagdu

SHOBHASHREE G
III YEAR BCA

HEMA L
II YEAR BCA

7-day NSS Residential Training Camp under the “Yuva Aapada Mitra Scheme” was held at Kumbalagodu from 13th October to 19th October 2025. The training aimed to equip NSS volunteers with essential skills in disaster management, rescue operations, and first aid, enabling them to effectively respond during emergencies. The camp included practical sessions, mock drills, and expert-led workshops on disaster preparedness and community safety. From our college, Shobhashree G of 3rd BCA and Hema L of 2nd BCA actively participated, gaining valuable knowledge and hands-on experience in disaster response and mitigation.

NCC CAMP TO ENHANCE DISCIPLINE AND SKILLS

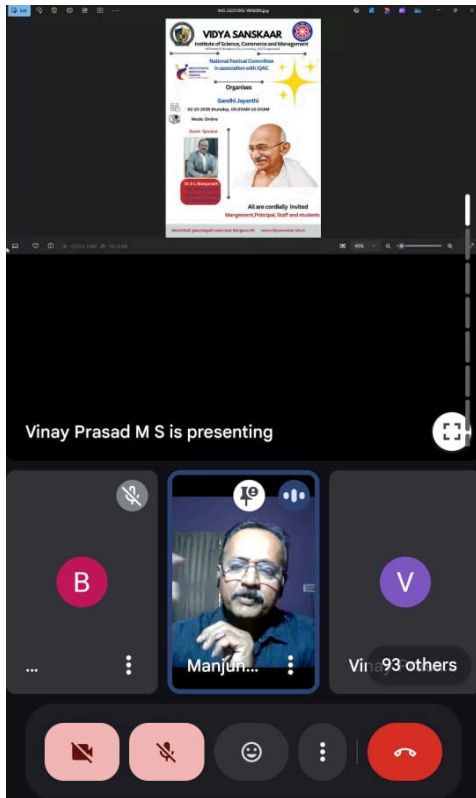

NCC Camp at Air Force Station, Jalahalli East, Bengaluru

An NCC Camp was held at Air Force Station, Jalahalli East from 10th October 2025 to 19th October 2025, with 26 cadets from our college actively participating under the guidance of Lt. Aruna Kumar T. M., Associate NCC Officer. The camp provided an excellent platform for cadets to develop discipline, leadership, and teamwork.

Various training sessions and activities such as drill, weapon training, tent pitching, map reading, field craft (FC), battle craft (DC), and cultural programs were conducted during the camp. The experience helped cadets enhance their physical fitness, confidence, and patriotic spirit, making it a memorable and enriching learning opportunity.

TRIBUTE PAID TO MAHATMA GANDHI AND MAHARSHI VALMIKI ON THEIR JAYANTI

Gandhi Jayanthi was celebrated to commemorate the birth anniversary of Mahatma Gandhi on 2nd October 2025. The virtual event enabled broad participation from students and faculty members despite physical distance, embodying the principles of unity and inclusiveness central to Gandhi's teachings. The program featured Dr. S. L. Manjunath as the Guest Speaker, who addressed the gathering and shared his insights on the relevance of Gandhian philosophy in modern society.

Presentations by students focused on Gandhian values such as non-violence, truth, simplicity, and social harmony. Participants shared insights on Gandhi's contributions to India's independence and his enduring global influence. Cultural segments included recorded bhajans and dramatic portrayals of key moments from Gandhi's life, effectively engaging the audience through multimedia formats.

Valmiki Jayanthi, commemorating the birth anniversary of Maharshi Valmiki, the illustrious sage and author of the Ramayana, was celebrated by the institution on 7th October 2025. The event took place at M Block with active participation from both students and faculty.

The celebration commenced at 9:00 AM with guest speaker Dr. Bhagyalakshmi S introduction to Maharshi Valmiki's life and his monumental contribution to Indian literature as the Adi Kavi, or first poet, who authored the epic Ramayana of 24,000 verses and seven Kandas. The program highlighted Valmiki's promotion of truth, compassion, dharma, and social harmony, core values reflected throughout the Ramayana and relevant to contemporary society.

KANNADA RAJYOTSAVA COMPETITIONS

On the occasion of Kannada Rajyotsava, our college organized a series of competitions to honor the richness of the Kannada language and culture. Students actively participated and showcased their linguistic talents through various engaging events.

ಉಕ್ತಲೇಕನ(dictate (Dictation): Tested students' listening and writing accuracy in Kannada.

ಪ್ರಬಂಧ (Essay Writing): Encouraged creative expression on Kannada culture and heritage.

ನುಡಿ ಕನ್ನಡ (Speak Kannada): Promoted fluency and confidence in speaking Kannada.

ಗಾದೆಗಳು ಮಾತು (Proverb Speaking): Highlighted the wisdom and moral value of Kannada proverbs.

ಲೇಖನ ವಾಚನ (Article Reading): Showcased expressive reading and appreciation for Kannada literature.

The competitions not only celebrated the beauty of the Kannada language but also inspired students to preserve and promote their cultural heritage with pride and enthusiasm.

TRAINING, DETERMINATION AND GOLD – MY WINNING JOURNEY

My Sports Journey– Maruthi Gowda A

I am Maruthi Gowda A, a student of III B.Com from Vidyasanskaar Institute of Science, Commerce and Management. I am proud to share my achievements in the field of sports, which have been a major part of my college life and personal growth.

On 13-10-2025, I represented VSISCM in the Bengaluru City University Inter-Collegiate Tournament and won Gold Medal in Judo. My performance also earned me the opportunity to represent the university at the South/West Zone Inter-University Championship held at Sage University, Bhopal, Madhya Pradesh. This was a big milestone and motivated me to work even harder.

Along with Judo, I also participated in Wrestling, where I secured another Gold Medal at the Inter-Collegiate Tournament hosted by Reddy Janasangha College, Bengaluru City University. With this achievement, I got selected for All India Inter-University Competition, which is a proud moment for me and my institution.

My journey has been supported by many people. Our coach and Physical Education Director, Arun Kumar Sir, guided and motivated me throughout. Nagaraju Sir also contributed greatly to my performance and growth. I am thankful to my Parents, CEO, Principal, HOD, all my Teachers and the Management for constantly encouraging and supporting me in my sports journey.

These achievements have strengthened my confidence, and I hope to continue performing well and bringing more recognition to our institution.

Maruthi Gowda A
III Year B.Com

A JOURNEY OF COURAGE, DISCIPLINE AND DETERMINATION

My NCC Journey – Cadet Prakruthi M.V

I am Cadet Prakruthi M.V from Vidyasanskaar Institute of Science, Commerce and Management. My degree life began at VSISCM, and as a sportswoman since my school days. I was always active, especially in cricket. One day, during practice, Lt. Col. Arun Kumar Sir saw my game and told me that I had the capability to join NCC. I did not know much about it then, but I immediately researched online and decided to take it as a step towards my dream of joining the Armed Forces. I got selected and cleared the interview.

My first year in NCC helped me learn the basics, but my real challenge came in the second year when I was selected for Obstacle Training (OT). Competing with more than 100 cadets from many colleges was a tough nut to crack. My timings were slow in the beginning, but Arun Sir always motivated me. I practiced every day, even on terraces and in parks till late night. I faced injuries three times, but I never gave up. Finally, I secured 4th place among the top selected cadets.

Later, I trained for tent pitching and traveled long distances alone for training. My performance improved, and I recorded timings that surprised everyone. Even when I was unwell with fever, I continued my drills and got selected for TSC-1.

Balancing NCC training and college exams was the toughest phase. We woke up at 3 AM and trained till evening, and I studied late into the night. On exam days, I finished my drills in the morning and traveled to Bengaluru for exams. It was hard, but I completed everything with the support of my parents and ANO Sir.

Though I could not continue in TSC further due to exam schedules, I got the golden opportunity to attend the Army Attachment Camp. Staying alone for the first time and training like a soldier was a big learning experience. I had challenges, I enjoyed every moment, and I grew stronger.

I respect NCC and believe it will take me further in achieving my dream of serving the nation.
Jai Hind.

Prakruthi M.V.
II Year B.Com

EXPLORING GENDER EQUALITY AND SOCIALIZATION: A STUDENT RESEARCH PAPER PRESENTATION

Exploring Gender Equality and Socialization: A Student Research Presentation at Sheshadripuram College. A student research paper presentation on gender equality and gender socialization was recently held at Sheshadripuram College, highlighting vital social issues and empowering young researchers to contribute to the discourse on gender in both educational and community settings.

The presentation focused on exploring concepts of gender equality and how gender socialization impacts perceptions and opportunities among youth. Students presented findings based on surveys, literature reviews, and case studies, addressing challenges like stereotypes, unequal access, and the role of family, education, and media in shaping identities.
