Chief Executive Officer

Dear Parents and Students,

“The best way to find yourself is to lose yourself in the service of others.”

At Vidya Sanskaar, this spirit of service, creativity, and celebration was vibrant throughout September.

Our NSS activities and the special NSS Day celebrations reminded us that true learning blossoms when we engage with and uplift our community. The unique “Cooking without Fire: Yummy Tummy” event sparked innovation and healthy habits, while the Ganesha Festival brought us together in joy and tradition.

Our Cultural Festival was a magnificent canvas of talent and teamwork with Mehndi, Hairstyle, Pot Painting, Best Out of Waste, Nail Art, Twin Day, and Drawing competitions, our students shone brightly, showcasing their creativity and spirit of excellence.

The Parent-Teacher Meeting reinforced the essential collaboration between families and educators, ensuring every student's journey is supported with care and dedication. The Electoral Literacy and Enrollment drive empowered our young leaders to embrace their role as informed citizens, shaping the future with knowledge and responsibility.

Each moment of September demonstrated that education is not just about academics it's about growing into compassionate, creative, and conscious individuals ready to lead and inspire. Let's keep marching forward with passion, purpose, and pride.

Together, we can nurture dreams and turn them into reality!

With heartfelt wishes,

Dr. Satish M Bejjihally
