## **National Youth Day 2026: Igniting the Spark of Innovation and Character**

National Youth Day, also known as Swami Vivekananda Jayanti in India, is a celebration that resonates with the vigour, potential, and aspirations of the country's young population. Observed on January 12th each year, this day holds special importance as it marks the birthday of one of India's most influential and revered spiritual leaders, Swami Vivekananda.

The occasion not only commemorates the birth of this visionary figure but also serves as a platform to recognize the role and importance of the youth in shaping the nation's future.

On 12th January 2026, VSIPS organized a thought-provoking event titled "National youth Day". The aim of this program is to celebrate and recognize the power and potential of the youth in our country. It is a day to inspire and empower young people to contribute positively to society, embrace their talents, and work towards their dreams.

Several students delivered inspiring speeches. A student from Miss Rohini J (1st Year), highlighted that "National Youth Day is not just a celebration but a reminder of our responsibility toward society". Another student Vidya D R (1st year) emphasized, "We are the architects of our own destiny. Swami Vivekananda's call to 'Arise, awake, and stop not till the goal is reached' is more relevant today than ever and also Nithya K G (1st Year) highlighted the Significance of the day that focuses on promoting the ideals of Swami Vivekananda—self-reliance, education, and character building—to empower India's youth, who constitute a large, dynamic segment of the population.

The celebration successfully encouraged students to align their personal goals with national progress.

## Report on Republic Day

Republic Day is a national holiday in India commemorating the adoption of the Constitution of the Republic of India and the country's transition to a republic which came into effect on 26 January 1950. The constitution replaced the Government of India Act 1935 as the governing document of India,

Thus turning the nation from a dominion into a republic, following its independence from the British Raj in 1947. The constitution was adopted by the Constituent Assembly of India on 26 November 1949 and came into effect on 26 January 1950. The date was chosen because the Indian National Congress had proclaimed Purna Swaraj (complete independence) on that date in 1930.

Republic Day is commonly associated with parades, political speeches, cultural events and ceremonies, in addition to various other public and private events celebrating the history, government, and the traditions of India.

VSECT, celebrated the 77th Republic Day with much pomp and glory. The event consisted of speeches from eminent personalities like Sri M.K Ramaswamy , Dr Satish Bejjihally and Sri H B Shyam Sundar.

The event started with unfurling the national flag and hoisting it. After the flag hoisting, the students of the different houses started their march past and paid their respects to the national flag. The event started with the speech on significance of the day by the student of VSIPS and Vande mataram sung by student choir and teachers. The event consisted speeches from eminent personalities like Sri M.K Ramaswamy , Dr Satish Bejjihally and Sri H B Shyam Sundar.

The students gave a dance performance an act of how various freedom fighters fought the British army and sacrificed themselves to free India. The brilliant act managed to stir everyone's emotions. And in the last the student thanked everyone and ended the event.

## **The Power of Consistency: Small Steps, Big Results**

Throughout the process of teaching and learning, teachers have to deal with different types of students; some are exceptionally intelligent and bright who understand, learn very fast and some are not as strong and some are quite weak to learn and grasp the instructions very slowly.

Some students just need direction; some require hard work along with regular guidance and mentoring. In this process at VSPUC the lecturers of different subjects gave a beautiful insight towards individual students focussing on their strength and weakness and provoked them to secure good result in the upcoming exams. The advanced learners were also given an opportunity to interact with all the subject lecturers for the best result and got an insight with do's and don't during examination. Thus, the session brought the positive impact on students.

## **The Power of Consistency: Small Steps, Big Results**

The farewell party was organised by the 1st year students for the outgoing II PUC students which was held on 31<sup>st</sup> January 2026 at P Block VSPUC Quadrangle. The event was a grand occasion, organized by the junior students to bid a heartfelt goodbye to the graduating students.
